(1) Montgomery County has hired Goodwin, Mills, and Cawood (GMC) to develop an implementation strategy and budget for the corrective actions identified in the Transition Plan. The Transition Plan will be adopted after GMC has completed their implementation strategy and budget.

(2) The Town of Deatsville has completed the evaluation phase. Currently, cost estimates are being developed to include in the Program Access Plan. Once complete, Town Council will adopt.

(3) In May 2017, the City of Montgomery executed an Agreement with a consultant to complete the ADA Transition Plan. The Plan is expected to be complete in 18 months.

(4) The Town of Pike Road has completed the evaluation phase of the Transition Plan. The Plan is expected to be complete and adopted by City Council in August 2017.

(5) The City of Wetumpka has completed the evaluation phase of the Transition Plan. The Plan is expected to be complete and adopted by City Council in August 2017.
