The United States America Federal Law requires Metropolitan Planning Organizations to publish a list of transportation projects that were authorized/obligated in the previous fiscal year that involved federal highway or transit funds. A project is considered authorized/obligated when a funding contract has been completed between the sponsoring local government or State government entity and the Alabama Department of Transportation. The authorized/obligated projects list includes those projects from the Montgomery area funded in fiscal year 2010. A fiscal year runs from October 1 to September 30 annually.

For more information or to ask questions about specific projects, call Mr. Robert E. Smith Jr., Senior Transportation Planner/MPO Administrator, City of Montgomery, Department of Planning and Development, Transportation Planning Division/Montgomery MPO at 241-2249. The project list can be viewed in our office at the City of Montgomery, Planning and Development Department, Transportation Planning Division located at 495 Molton Street between the hours of 8:00 a.m. and 5:00 p.m. Monday through Friday. The authorized/obligated transportation projects list can also be viewed on the MPO internet website at the following address: [http://www.montgomerympo.org/authorized\\_projects.html](http://www.montgomerympo.org/authorized_projects.html).
