

Montgomery Area MPO Resolution

To Adopt the Montgomery Study Area 2030 Long Range Transportation Plan

WHEREAS, the Montgomery Area MPO has developed the *Montgomery Study Area 2030 Long Range Transportation Plan* through the 3-Cs planning process as required by the USDOT in order to receive federal transportation funding for road and transit improvement projects within the three (3) county MPO Transportation Study Area; and

WHEREAS, public involvement has been conducted at important points throughout the process, as follows:

- January 19–February 16, 2005–*2030 LRTP* vision and guiding principles
- April 6–April 29, 2005–preliminary *2030 LRTP* recommendations
- May 25–June 8, 2005–*Draft 2030 LRTP* document

WHEREAS, a summary of all public comments received have been provided to all members of the MPO;

NOW THEREFORE BE IT RESOLVED that the Montgomery Area MPO hereby adopted the *Montgomery Study Area 2030 Long Range Transportation Plan* as submitted.

ADOPTED THIS THE 30TH DAY OF JUNE, 2005.

Mayor Bobby N. Bright, MPO Chairman
